## RESOLUTION

### “II IMFAHE’s Nodal Award 2019-Shark Tank Edition”

**Anticipated award date:** March 19<sup>th</sup> 2019

---

The key goal of this initiative is to promote innovation and entrepreneurship by catalyzing collaborations among multidisciplinary teams within IMFAHE’s platform of talent “IMFAHE Connects”.

**THESE ARE THE FINALIST TEAMS SELECTED TO PRESENT THEIR PROJECTS AT THE V INTERNATIONAL CONFERENCE IMFAHE-ULL:**

MODALITY A	MODALITY B
CardioCare	City Dwellers
Eco-distributors	
MediScape	
MIARCHMAT	
Microneedle	
My Sweet Health	
Ovarian torsion	
Scicling	
UBUME	
UPJO	
WYNTER PROTECT	

At least 1 member of each team presented the project at the V International Conference IMFAHE-ULL celebrated on March 19<sup>th</sup> 2019 in San Cristobal de La Laguna, Tenerife, Spain.

Based on the criteria specified in the public call, an evaluation committee with four independent professionals from the fields of economics, engineering, social science and biomedicine ranked every proposal. Based on the addition of the four independent evaluations and the highest scores, the winners were selected.
